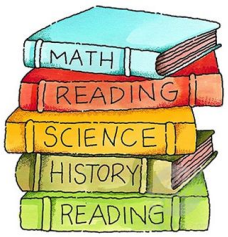
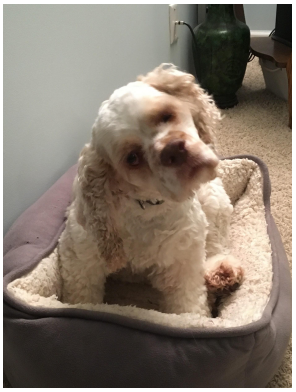
Welcome to 5th Grade

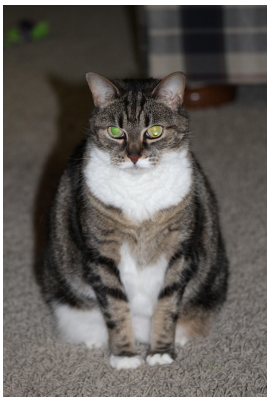


Dear 5th Graders,

Welcome to 5th grade!! I am excited to have you in my class and be your teacher! I am looking forward to meeting each of you and getting to know you as we learn new things together this coming school year.



This will be my sixth year at CCS. I have spent my summer doing projects at home with my flower gardens, working on my family's genealogy, visiting with family and friends in Goshen and Illinois, and reading lots of books! My cocker spaniel, Barney, and my cat, Riley, keep me company at home.



You can get a head start on the school year by reading books and reviewing your multiplication math facts. Doing these two things will help you start the school year ahead of the rest!!

As you enjoy the rest of your summer, I will be praying for each of you!
