SCRIP

The Scrip Program is designed to raise funds for the school by paying for goods and services with prepaid cards. Depending on the type of card that you purchase (ie. JCPenny or Home Depot) a varying percentage of the money you spend will go to the school. You may choose to have your purchases aid a family of your choice or you may choose to aid the school in general. Many parents participate in this program, as these are places that they already shop and money can be earned for the school. Please view the attached scrip information sheet for more information.
