Tonight, during the LIVE AUCTION, we will sell class projects, meal tickets, the Kindergarten quilt, vacations, and several big ticket items. We also have our vendor booth area open, highlighting local vendors who are all supporting the school with their sales this evening.

For kids, the carnival starts at 6:00 pm and takes place up the main hall in the cafetorium. Games, prizes, facepainting, and more make this an area not to miss!

Clinton Christian School could not fulfill the mission God has placed before us without your generous support. Thank you for helping us reach our goal of raising \$75,000 through this event.

DEEP FAITH STRONG MINDS BRIGHT FUTURES

A Legacy Worth Building

CLINTON CHRISTIAN SCHOOL
CAPITAL CAMPAIGN

Since 1950, Clinton Christian School has stood as a testimony to God's faithfulness, preparing students to follow Christ in every area of life. As the first Christian school in Goshen, CCS has led the way in Christ-centered education, providing a place for students to grow academically, spiritually, and relationally. For 75 years, we have remained committed to intentional, fiscally responsible growth, adapting to the needs of each generation. This is a pivotal moment. Our campus reflects the heart of our mission, but it is beginning to limit how we can accomplish it fully. Classrooms have reached capacity. Shared spaces are stretched. Our facility limitations constrain opportunities for deeper learning, connection, and discipleship. **We want more for the students entrusted to our care.**

Our vision is to be the leading choice for families seeking a distinctly Christian private school experience. **We work to equip students for academic success as well as lives of purpose, faith, and lasting impact.** Will you help us expand that mission? Together, we can continue to invest in future generations, building a lasting legacy for years to come. To learn more about how you can partner with Clinton Christian School, **scan the QR code below.** Together, we will continue to build this lasting legacy.
