

# 2022-2023

## 5th Grade Supply List

Note: We will **NOT** be using binders or folders this year. I have purchased an expandable file folder for each student that will be used instead of binders or folders. It will have room for papers for every subject plus a place for graded papers, unfinished classwork (homework), and classwork to turn in. I will have everything labeled and ready to go for each student and we will organize them on the first day of school!

Please label everything with your name....

- Bible
- 1 small pack of wide-ruled paper pack - Not college rule - We won't be using very much notebook paper this year, so please only buy 1 small pack
- Crayons - (maximum of 64)
- 1 small pencil box (5" x 8") for
  - colored pencils (maximum of 24)
  - markers (maximum of 10)
  - erasers - pencil toppers or handheld pink pearl
  - 4 packages of pencils
  - scissors
  - 3 glue sticks

\*\*The items that don't fit in the small pencil box will be kept in your locker until you need a refill.
- 3 boxes of tissues for the class to share
- non-marking gym shoes for indoor recess (leave tags on in case they do mark on the gym floor and need to be returned)
- bookbag and lunch box

Please do not purchase items that are not on this list. Extra things take up space in students' desks and become a problem when trying to stay organized.
