## Work Experience

Teacher, Librarian, Substitute, Teacher's Aide, School Leadership...I've done the full gamut of educational roles! One of my most exciting experiences was teaching the African Children's Choir on tour and working at their school in Uganda. (see photo)

## About Me

I was born and raised in Goshen, have never been married (but have an amazing Heavenly Husband), and I currently live with my parents in the same house I grew up in!

This summer, I'll be cooking for hundreds of campers at Camp Ray Bird in South Bend, IN.

## What Brings Me Joy

Taking walks, reading a good book, planting things and watching them bloom and grow, traveling to far-flung places, finding a good deal at a thrift store, time with children, time with family, and eating ethnic food.
