

MEET THE TEACHER

Dear 6th graders and their families,

Welcome to 6th grade! I hope this year is one of your many "best" years of school, and that you are looking forward to learning, making new friends, and your final year of elementary school. I am looking forward to getting to know each of you better and helping you thrive.

While I don't have children of my own, God has given me hundreds of children to love, including my nieces, nephew, former students and many, many children in Africa. I have been a part of the African Children's Choir since 2002 as teacher, auntie, administrator, and more. I traveled and lived in the US, Canada, UK, Europe, Uganda, Kenya, and South Africa with the choir, but now I'm happy to be home again in Indiana, where I grew up "once upon a time."

Some of my favorite things to do include taking daily walks, reading a good book, planting things and watching them bloom and grow, traveling to far-flung places, finding a good deal at a thrift store, and eating ethnic food. I can't wait to find out what YOUR favorites are!

I'll be praying for you this summer!

Blessings,

Miss Detweiler
