

# CLINTON CHRISTIAN SCHOOL

Clinton Christian School 2024-2025 Schedule of Fees

We know you have a choice in where to educate your child(ren) and we consider it an honor to partner with each one of you. We value your trust and take the responsibility of serving you very seriously. That is why each year, as we prepare our annual budget and set the tuition and fees, we take an in-depth look at what it truly costs to provide the high quality educational experience we are committed to at CCS. We will always be a Distinctly Christian, Decidedly Excellent, and Deeply Connected. Your child(ren)'s academic, spiritual, emotional, and social development is our highest priority. Each student will be uniquely and deeply cared for; their gifts, abilities, talents, and leadership capabilities identified and encouraged to flourish in all areas.

We recognize and appreciate the sacrifice each family is making to keep this school the best it can be. It is this sacrifice that drives every decision we make. Our goal is to remain fiscally responsible, while also mindful of the investment we ask of our families. We work tirelessly to never take this investment for granted. We compare our tuition rates, fees, and programs to other schools, both private and public, in order to make sure we maintain as high a value as possible. We only raise tuition when it is required in order to cover costs and do whatever we can to find ways through vouchers, scholarships, discounts, and tuition assistance to off-set expenses so CCS stays as affordable as possible.

We believe Clinton Christian School is a truly special place and we are so thankful you want to be a part!  
If you have questions, feel free to reach out via email at [administration@ccsgoshen.org](mailto:administration@ccsgoshen.org).
